# “Facility Use” Team Contributors

- Mr. Mike Aglialoro
- Mr. David Gosman
- Mr. John LaNave
- Dr. Chris Serra
- Mr. Anthony Valenti
- Mrs. Luisa Fiume
- Mrs. Sandy Winkler

# Natatorium

- Natatorium background
- Market rates and pricing levels (practices/meets)
- Current view of permit pricing model
- Prioritization for Clarkstown Residents
  - Permit approval priorities
  - Blended rate
- Community Swim for Residents
- Safety & Security considerations for building and parking lot
- Invoicing/billing and attendance tracking

# Natatorium Background

- Bond approved in 2000, construction completed in 2005 as part of a larger project at FFMS.
- Annual debt service (principle and interest) is \$998,488. Building aid is \$368,479. The net annual long term debt cost through 2023 is \$630,009.
- Dimensions are 180 feet by 60 feet.
- Configuration is normally 16 lanes each 25 meters. 8 deep lanes, 8 shallow lanes divided by movable bulkhead.
- Bulkhead moved during spring weekend rental season to create 8 lanes of 50 meters in length for swim meets.
- Bleacher capacity is 650 and pool/deck capacity is 600

# Natatorium Background

**Bulkhead:** A bridge that can be inflated and repositioned to create two swim areas (as pictured) which is a total of 16 lanes, or if positioned against shallow end wall, one large 8 lane, 50 meter pool.

**Shallow End:** 8 lanes, 25 meters

**Deep End:** 8 Lanes, 25 yards or 25 meters

**Diving Board:** one of two pictured

Pool is typically kept in the pictured configuration. Only during spring season weekend rental swim meets is the bulkhead moved to 50 meters, which takes 4 staff members and about 45 minutes to move.

Pool dimensions are 180 feet by 60 feet

Pool volume is approximately 585,000 gallons

Bleacher seating capacity is 650 and deck occupancy is 600

# Natatorium Pricing

- Facility Use Team Comments
  - Simplify pricing model to per lane, per hour
    - 8 deep, 8 shallow, must be rented in 4 lane increments
  - Create two prices, in-district and out of district
  - CCSD current pricing range \$16-\$24
  - Based on market analysis adjust price for “Practices” to:
    - \$21 for In-district, \$29 for out of district
    - Use a blended rate based on Roster verification
  - “Meets” price will be \$29 per lane per hour
  - Add’l Custodial and Security charges will apply for meets

# Natatorium Permit Approvals

- Facility Use Team Comments
  - Permits will be requested for 90 day blocks
  - Rosters must accompany permit requests
  - Permits will be given priority based on the number of CCSD residents (not the % of CCSD residents included in roster)
  - Peak or most desirable time slots will be allocated based on the number of CCSD residents in the request.
  - Attendance will be analyzed at the close of the 90 day permit and reconciled with roster submission.
  - One invoice will be created for the 90 day block and paid according to the facility use policy.

- Current Pricing
  - In district \$4 per person times the number of sessions in the package
  - Out of district \$6 per person times the number of sessions in the package
  - Weekend package for a Family of 4 (Jan-June)
    - In-district \$ 10 per session times the number of sessions (\$240 for 24 weekends). \$20 for each additional family member
    - Out of district \$16 per session times the number of sessions
- Current Gold Card Members
  - In district residents over age 60 swim for free during Fall and spring packages
    - \$1 per session for summer swim
- Facility Use Team Comments
  - Restrict use to CCSD residents only
  - Offer an annual family weekend package for \$50 a year (Includes badge)
  - Saturday & Sundays from 12pm – 6:00pm

# Natatorium Parking & Security

- Current Environment
  - No security guards are provided outside of school hours
  - Emergency doors are often propped open during practices & meets
  - Parking for swim meets has consistently been very difficult to manage
- Facility Use Team Comments
  - Add security guards during rental hours
  - Issue badges (\$10 fee) to all rental user members
  - Use card reader to gain access to pool (not door access) & verify rosters
  - Require 3 CCSD security guards for swim meets (additional fee)
    - 2 parking lot, 1 door access
  - Limit parking spots for meets to 243
  - Additional parking & shuttle service offered at other buildings (add'l fee)
  - Add security cameras around pool deck

PROPOSED FFHS CAMPUS  
PARKING PLAN

TOTAL PROPOSED POOL PARKING  
 $243 + 18 = 261$  SPOTS

PROPOSED PARKING ALLOCATIONS

# TOTAL CAMPUS PARKING - 522

# DEDICATED POOL PARKING - 243

# DEDICATED FFHS BUILDING - 130

+ DEDICATED VEHICLE PARKING - 18

DEDICATED ORGANIZER PARKING  
"PERMIT ONLY"

# OVERFLOW PARKING

- SHS - BUS SERVICE

- BUSES - WALK ACROSS AREAS AD.

# Natatorium Invoicing

- Current Environment
  - Number of invoices per month is difficult to manage
  - Changes to permits and scheduling create invoicing and progress payment tracking difficulties
- Facility Use Team Comments
  - Create one invoice per renter, per 90 day block
  - Verify roster, create one invoice at the new blended rate
  - Track receivables based on the facility use policy.
