## WELCOME TO ACHIEVEMENT CENTER

**D. Sweeney**

The Achievement Center provides an opportunity for students to receive both intensive help with their classwork, long term projects, and studying, as well as a computer based enrichment program entitled Castle Learning Online. Additionally, the Achievement Center is an Academic Intervention Service required for most students by New York State. In the Achievement Center, your child will work with one of 4 teaching assistants who will be tracking assignments and working individually with your child. Please feel free to contact me via email or by phone with any questions.
