

EARLY RISER CLUB

Sponsored by the

Clarkstown Community Learning Center

The Early Riser Club is a program designed to help parents meet their childcare needs in order to balance work and other obligations. You can drop your child off at 7:00 a.m. at Little Tor and at 6:45 at West Nyack, Bardonia, Woodglen and Lakewood. While on your way to work, your child is safely awaiting the start of the school day. Games, puzzles, books and crafts will make the time fly by!

Your child/children must be registered in order to utilize this program. A completed registration form and appropriate payment is required for all families who wish to participate. If you are interested in registering your child/children for the Early Riser Club, please complete the registration form attached to this flyer and send it to the Community Learning Center.

This program is designed to meet the needs of working parents. However, the Early Riser Club is also available for occasional use for any family who needs it. We are here to make your mornings a little easier. You are only charged for the days that you use the program.
