

# Community Learning Center Early Riser Program

## Link, New City, Strawtown and Laurel Plains New for the 2021-2022 School Year!

The Early Riser program is a before school childcare program. It is designed to be a safe place for parents/guardians to bring their children in the morning. It is staffed by CCSD employees and is available every school day except weather delay days. Children are provided with activities such as arts & crafts, board games, and in some schools, time in the gym. **Children may eat breakfast at home or they can receive a free "Grab & Go Breakfast" when heading to their classrooms at 8:00 am.**

### Guidelines for the program:

1. All children must be registered for the program before they can attend. All school Covid regulations will be followed.
2. Children must be signed in by staff upon entry and the time of arrival noted.
3. Children who exhibit any symptoms of illness will be sent home.
4. Behavior that is disruptive or dangerous will not be tolerated. The child will be removed from the program permanently.
5. Parents/Guardians only pay for the days that children attend the program. Attendance will be tallied up at the end of the month and an invoice will be sent via email. Payment is expected by the due date on the invoice. Any account that remains in a negative balance will cause the child/children to not be allowed to attend the program.
6. **Link, New City, Strawtown and Laurel Plains open at 6:45 am and costs \$7 per day for the first child/\$4 for each additional sibling.**
