IN CONJUNCTION WITH

CLARKSTOWN COMMUNITY LEARNING CENTER

Dear Clarkstown Parents of 11th & 10th graders,

We are pleased to announce that the Lentz & Lentz Prep course will be offered this September at Clarkstown Learning Center for students preparing for the upcoming PSAT/SAT and/or ACT exams. Students will have a choice of taking the course in-person in Congers at The Clarkstown Learning Center or virtually with live interactive classes hosted through Zoom. As an 11th & 10th grader, your son/daughter is becoming increasingly aware of the importance of the PSAT/SAT and ACT exams. Students who take the test early are able to determine if their scores need improvement and can prepare accordingly in a leisurely and productive fashion.

PSAT, SAT, and ACT scores play an important role in college scholarships, stipends, grants and athletic recruitment. **Clarkstown Community Learning Center and Lentz & Lentz SAT Prep are sponsoring this program.**

The cost of the PSAT/SAT program is \$405 for twenty-four hours of preparation, almost half the price of competitive programs. Please see the reverse page for in-person and virtual schedule offerings. **Students who complete the course can return in the spring before the May SAT for an extra six hours of free review.**

The verbal part consists of reading comprehension, vocabulary, speed-reading techniques, grammatical skills, optional essay writing, all applicable to the PSAT/SAT. The mathematical part covers a myriad of problems, including: arithmetical skills, advanced algebra, basic geometry, functions, trigonometry, exponents (including our famous "tip sheet"), and modern mathematic concepts. A course of this nature would cost a great deal more money taken outside of the district. We use our own copyrighted curriculum in conjunction with PSAT/SAT type questions, which are designed to reflect the most recent changes in the format of the PSAT/SAT.

For students who wish to prep for both PSAT/SAT and ACT exams, cost of the program is \$605 and includes an additional 3-session supplement for the ACT. The ACT supplement will continue after the SAT course concludes. The additional ACT sessions will meet on Monday evenings and continue through November in preparation for the December ACT. The supplementary sessions will cover the different testing skills for the ACT, the science component, additional math, and the English component along with a practice ACT exam. Class sizes range from 10-18 students and social distancing protocols will be in place for in-person classes. All of our instructors have four-year degrees and are specifically trained in the SAT and PSAT formats.

We hope that you will take advantage of our program. To register you may use the application found below or register by phone or online with your VISA, MASTER CARD, or DISCOVER. **Please mail completed registration form to Lentz & Lentz SAT Prep, 14 Manor Court, New City, NY 10956 or register online at www.LentzSATprep.com.** If you have questions, please feel free to call 1-845-638-2826.

Sincerely,
Lentz & Lentz
