COMMUNITY AND SCHOOLS

Clarkstown Central School District is located in a largely residential suburban community in Rockland County, 25 miles from New York City. There are two high schools (North and South) comprised of grades 9-12. Both high schools have been accredited by the New York State Department of Education and the Middle States Association. The district's reputation and commitment to academic excellence has been noted since its establishment in 1949.

FACULTY AND SERVICES

South High School is staffed by a principal, three assistant principals, 7 school counselors, 4 psychologists, 2 student assistance counselors, 2 nurses, 1 speech therapist, 1 librarian and 2 resource officers. In addition to the regular classroom staff, the district provides a full range of special educational services from academic assistance and resource rooms to self-contained programs.

GRADING SYSTEM

Clarkstown uses a numeric grading system, (0 -100%), in which 65.00 is the lowest passing grade.

GPA is based on all high school courses completed. Numeric course grades on the transcript do not reflect weighting but are the actual course grades earned. The GPA reflects appropriate weighting of these grades. Only Honors, IB & AP classes are weighted.

Example of weighting in the numeric system:

GRADE			
EARNED	REGENTS	HONORS	AP/IB
100	100	103.3	106.6
95	95	98.135	101.27
