COMMUNITY AND SCHOOLS

Clarkstown Central School District is located in a largely residential suburban community in Rockland County, 25 miles from New York City. There are two high schools (North and South) comprised of grades 9-12. Both high schools have been accredited by the New York State Department of Education and the Middle States Association. The district's reputation and commitment to academic excellence has been noted since its establishment in 1949.

FACULTY AND SERVICES

South High School is staffed by a principal, three assistant principals, school counselors, psychologists, student assistance counselors, nurses, speech therapists, librarians and school resource officers. In addition to the regular classroom staff, the district provides a full range of special educational services from academic assistance and resource rooms to self-contained programs.

GRADING SYSTEM

Clarkstown uses a numeric grading system, (0 -100%), in which 65.00 is the lowest passing grade.

GPA is based on all high school courses completed. Numeric course grades on the transcript do not reflect weighting but are the actual course grades earned. The GPA reflects appropriate weighting of these grades. Only Honors, IB & AP classes are weighted.

Example of weighting in the numeric system:

| GRADE | EARNED | REGENTS | HONORS | AP/IB |
|-------|--------|---------|--------|-------|
| 100 | 100 | 103.3 | 106.60 | |
| 95 | 95 | 98.135 | 101.27 | |

RANK IN CLASS

College Courses

College courses at South HS are offered through SUNY Albany, Syracuse University (Project Advance), St. Thomas Aquinas College and Marist College.

Students who have completed junior year and who have earned a cumulative GPA of an 80 or higher, and passed the college placement exam, are eligible to attend SUNY Rockland Community College as early admit students.

COVID INFORMATION

During the COVID-19 pandemic, Clarkstown High School South (along with all New York State High Schools) shifted to online learning from March 17, 2020 through the end of the 2019-2020 school year. Teachers modified lessons in order to best suit distance learning, students were provided with assignments & assessments, and attendance was recorded. Please note that a combination of synchronous and asynchronous instruction was utilized by our faculty during the entirety of remote learning. Grading was based on an A - F scale using a blend of performance and participation measures. Consequently, final numeric grades appear on the transcript.
