-Driving Student Athletes Home from Away Athletic Contest by a Non-Parent -

Dear Clarkstown Parent and/or Guardian:

The Clarkstown Central School District's rules require that student athletes be transported to and from interscholastic athletic games/practices on school authorized vehicles.

An exception to this policy is when the Athletic Coordinator/Director approves, in advance, a written request by a parent/guardian to transport another parent/guardian's child home from an away contest.

Permission granted will be subject to the following conditions:

1. The licensed adult driver of the vehicle will assume full responsibility for the safety of your child and the safety of the other student athletes while driving as described, and shall indemnify and hold the district harmless should personal injury or property damage occur during this driving.
2. Permission is granted solely as identified in this document and for no other purpose or occurrence.
3. This permission is only for the transportation of student athletes from an away contest. The names of these student athletes to be transported in my vehicle include:
 - 1) _____
 - 2) _____
 - 3) _____
 - 4) _____

Please sign, date, and return this document signifying your acceptance of the terms set forth to your coach who will give a copy to the Athletic Coordinator/Director. Once received with all appropriate
