Parent/Student Transportation Waiver

-Student Athlete Driving Themselves or Being Transported by a Parent-

Dear Parent/Guardian:

Clarkstown Central School District policy requires that student athletes be transported to and from games and practices on school authorized vehicles. Two exceptions to this policy are afforded when the Athletic Director/Coordinator, in advance, approves a written request for a student athlete to: 1) Drive themselves to or from an athletic contest or practice due to specific circumstances, and/or 2) Be transported to or from an athletic contest or practice by a parent/guardian due to a specific circumstance.

I am requesting that my son or daughter (check desired box):

- Drive themselves to or from an athletic contest or practice due to a specific circumstance.
- Be transported to or from an athletic contest or practice by a parent/guardian due to a specific circumstance.

Permission granted will be subject to the following conditions:

- You and your child assume full responsibility for his/her safety while driving as described and shall indemnify and hold the district harmless should personal injury or property damage occur during this driving.
- Permission is granted solely as outlined in this form, and for no other purpose or occurrence.
- The student athlete agrees they are only permitted to drive themselves or siblings AND NOT other teammates.
- The student athlete requesting permission agrees to drive themselves to and from a contest or practice only within the boundaries of Rockland County
- The student athlete requesting permission agrees to adhere to all laws governing the specific license and classification (Example: Junior Driving License Restrictions).
- It is necessary to complete and submit this waiver in advance of requested date.
