## **AGREEMENT**

The following is a list of specific criteria which must be met by Early Admit students in order to qualify for graduation from Clarkstown North/South:

Students **must** meet with their school counselors in the spring of their junior year to confirm minimum GPA and all graduation requirements prior to applying to RCC.

The Early Admit RCC Application **cannot** be done online. The completed paper RCC application and accompanying documents must be returned to your school counselor by **MAY 15<sup>th</sup>**. In addition, you must take and pass the English and Math Placement tests or waiver out.

All students are expected to be enrolled as **full time** students at RCC taking 5 courses plus PE totaling a minimum of 16 credits per semester. If for any reason a student cannot meet this requirement, he/she must see their counselor immediately.

Students **must** return a copy of their RCC course schedule to their school counselor within two days of registering. (This procedure **must** be followed again after Spring registration).

Any additions or deletions to the course schedule must be made in advance with permission of your counselor.

Students must provide **an official copy of grades** for each semester to enable your counselor to certify graduation requirements.

Please be aware that courses taken at RCC do **not** satisfy the core course requirement for the NCAA Division 1 and 2 eligibility.

### **TO MAKE FOR A SMOOTH SENIOR YEAR PARENTS AND STUDENTS SHOULD BE AWARE THAT:**

All students enrolled at RCC are entitled to participate in all high school activities as they are still considered students in Clarkstown. For more information, refer to the school's website at [ccsd.edu/north](http://ccsd.edu/north) or [ccsd.edu/south](http://ccsd.edu/south). Read the daily announcements for information regarding senior activities.

It is the sole responsibility of the student attending RCC to contact the senior class advisors (North) or the first floor office (South) with any questions regarding graduation, pictures, cap and gown and other senior related activities and events.

Contact should be made with your school counselor on a periodic basis for college applications and/or post high school planning. Information on scholarships and other post-high school opportunities are available on the Guidance website and Naviance.

I have read the above requirements and understand that failure to comply with any or all of the above stated may jeopardize my graduation from Clarkstown.
