Instructions

Who may use this application for a school district absentee ballot?

You may use this application if you are a qualified voter who resides in a school district that provides for personal registration of voters. You may only apply for an absentee ballot on your own behalf.

If you are unsure whether your district provides for personal registration, please contact your district clerk. If you reside in a district that does **not** provide for personal registration, you may contact your school district to apply for an absentee ballot.

Please note, residents of city school districts of cities with one hundred twenty-five thousand inhabitants or more are not eligible to use this form.

Who is a qualified voter?

You are qualified to vote in your school district if you are:

- a citizen of the United States;
- at least 18 years of age; and
- a resident of the school district for a period of at least 30 days preceding the meeting or election at which you seek to vote.

No person shall have the right to register for or vote at any school meeting or election who would not be qualified to register for or vote at an election in accordance with the provisions of Election Law §5-106.

Information for military voters:

Do **not** use this application if you are:

- a qualified voter who will be absent from your school district on the day of the election as a result of actual military service;
- a qualified voter who has been discharged from actual military service within 30 days of the election in which you seek to vote; or
- the spouse, parent, child, or dependent of a military voter as set forth above who is accompanying such military voter and who is qualified to vote in the same school district as the military voter.

If you meet any of the above criteria, you are entitled to special provisions if you apply for a military ballot. Please contact your school district to receive the appropriate application form.

Information for voters with an illness or disability:

If you check the box indicating your illness or disability is permanent, and you are identified as a permanently disabled voter by the county board of elections, once your application is approved you will automatically receive a ballot for each school district election in which you are eligible to vote, without having to apply again. You may sign the absentee ballot application yourself, or you may make your mark and have your mark witnessed in the spaces provided on the bottom of the application. Please note that a power of attorney or printed name stamp is not allowed for any voting purpose.

In addition, the definition of temporary "illness" currently includes instances where a qualified voter is unable to appear personally at the polling place of the school district because there is a risk of contracting or spreading a disease-causing illness to the voter or other members of the public. (e.g., concern over contracting COVID).
