### \*Directory Information and Student Work

The District's Student Records policy # 5500 includes a designation of the following student information as Directory Information that may be released without prior consent:

- Name
- ID number, user ID, or other unique personal identifier used by a student, for purposes of accessing or communicating in electronic systems (only if the ID cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the student's identity)
- Degrees and awards received
- Weight and height if a member of an athletic team
- Grade level
- Photograph, Video and Voice
- E-mail address
- Enrollment status
- Student Work

Sharing this information allows for your child to be in included in the publication of items such as student awards and competitions, team sports, student plays and performances, school newspapers, classroom blogs, student and class photos, or any other District or classroom related events or projects.
