## Laurel Plains, Link, & New City Elementary Schools
## 2026 – 2027 School Year

The Early Riser program is a before school childcare program. It is designed to be a safe place for parents/guardians to bring their children in the morning. It is staffed by CCSD employees and is available every school day except weather delay days. Children are provided with activities such as arts & crafts, board games, and in some schools, time in the gym. Children can eat breakfast at home, bring it with them or purchase it using their lunch account through MySchoolbucks.

Guidelines for the program:

1. All children must be registered for the program before they can attend.
2. Children must be signed in by staff upon entry.
3. Children who exhibit any symptoms of illness will be sent home.
4. Behavior that is disruptive or dangerous will not be tolerated. The child will be removed from the program permanently.
5. Parents/Guardians only pay for the days that children attend the program. Attendance will be tallied up at the end of the month and parents/guardians will receive an invoice via email. Payment is expected by the due date on the invoice. Balances that remain unpaid for 60 days or more will have a late fee imposed and the child/children may be restricted from attending the program going forward.
6. Laurel Plains, Link, and New City open at 6:45 am and cost $6 per day for the first child/$5 for each additional sibling.

How to register:
